Email: market@apcs.asn.au www.apcs.asn.au

Time for our next Market!

And time for you to check the cupboards or the back room for all those odds and ends that are better as cash than gathering dust. Why not take a table... or share a table?

Or simply help promote the event by distributing our flyers please. If you want promotional flyers, please let me know by email or 'phone.

Enclosed please find our Booking Form (and plan for the Table layout), which you may fill out and return by post, fax or attach to an email. Payment may be by Post, EFT or Cash, details are on the Booking Form.

Note that if you have booked a table at a previous market... or are one of the "Regulars" at every market, I will have your details already in my system. Simply send me an email or call confirming the name booked under and how you wish to pay or have paid. No need to fill out the form!

Setup is at 7:15am and the public are admitted from 8:00am to 1:00pm.

Special Event! World release of book!

This year we have a special event... the launch of a new photography book. Peter Kitchingman from Perth, WA, will be present and signing his new book *Canon M39 Rangefinder Lenses 1939-71*. This is the culmination of many years of research into Canon and the M39 screw mount rangefinder lenses. This is the first English-language book to go into detail on the vagaries of these early lenses and the first major book on the subject since Peter Dechert's 1985 book *Canon Rangefinder Camera 1933-68*.

Hope to see you there!

Alan King
