Monthly Club Competitions

Each competition has an open subject and, from time to time, a set subject is included. Members may enter three sections - Large Prints, Small Prints and Projected Images. Set subject competitions are mixed format.

Interclub Competitions

CBCC participates in inter-club competitions each year against Victorian camera clubs and against all comers in the VAPS inter-club. We also have two three way "International" Digital Images competitions against camera clubs located in Western Australia, New Zealand, United Kingdom and USA.

Annual Landscape/Coastline Competition

This special competition is held annually in conjunction with the Annual General Meeting.

Definition— A picture featuring the natural of the terrain, coastal features or shoreline. A tree or trees, people or buildings may be included but should not dominate or take up a significant part of the image.

Image of the Year

The Image of the Year Competition is held in the three Open sections; Large Print; Small Print and Projected Images. Only images submitted in monthly competitions or in the Landscape/Coastline competition in the current competition year are eligible.
